

# Add CliftonStrengths® to Your Zoom Meetings

**INSTALL WARMLY, A ZOOM NAMETAG APP  
TO SHARE YOUR CLIFTONSTRENGTHS WITH  
COWORKERS AND CLIENTS ON EVERY CALL.**

## For Individuals or Small Teams:

- 1 [Create a Warmly account.](#)
- 2 Click on the "Nametag" tab on the left.
- 3 Once you are in "Nametag Builder," you can enter the information you'd like on your nametag.
- 4 To add your CliftonStrengths themes, click on the "Work" tab, and you'll see the option to add your strengths.
- 5 After finalizing your nametag, if you are in Zoom, click "Set Nametag" to apply the edits to your Zoom screen.
- 6 After finalizing your nametag, if you are on the web app, select "Download Nametag" in the upper-right corner (for Microsoft Teams users) or "Set Nametag in Zoom."

## Organization-Wide Rollout:

\*\* This is for organizations with 1,000+ employees wanting to roll out Warmly and the organization disables Zoom apps.
